

40.014 SIERRA Payload Trajectory Wonder Cube

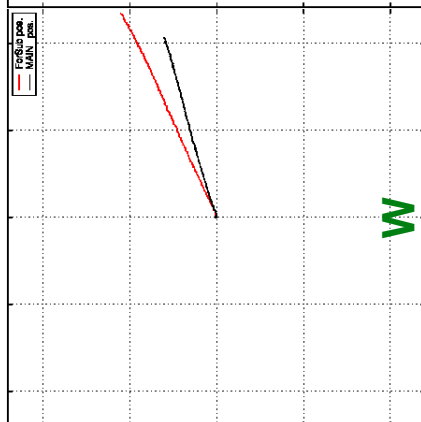

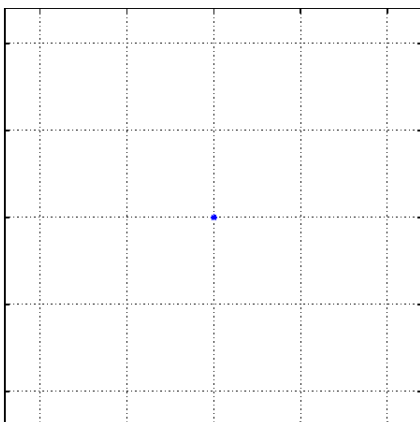

Shows relative positions of all 3 payloads for entire flight
 Center of the cube is the location of the AFT Sub-Payload
 Red wire depicts location of FWD Sub-Payload
 Black wire depicts location of Main Payload

- Directions:**
1. Cut along outer perimeter.
 2. Fold along solid lines.
 3. Tape into cube shape.
 4. **Optional:** Tape center panel along horizontal plane and secure wires in center.

Optional Center Horizontal Plane
